We would like to pay tribute to two outstanding men who are leaving the Buckeye Local School system. One is head football coach Joel Cockley. Coach Cockley has been responsible for establishing a winning tradition for the past three years. During the first two years of his career at North, Coach Cockley led his hardhitting Huskies to back-to-back 7 and 3 seasons. Victory reigned throughout this year's football season as the Huskies rolled to an 8-2 record. But now Coach Cockley must take his leave from Buckeye North as he has been presented with new and farther-reaching opportunities. We wish him the best of luck in his future position at Dover High School. Coach Cockley created a football "era". Though he leaves us, Coach Cockley has left his mark upon us all, and the upcoming squads will greatly benefit from his outstanding guidance and wisdom.

As we say goodbye to Mr. Cockley, we can only hope that his new position opens even more doors for him; may he always carry with him the memories he helped to create during his stay at Buckeye North.

The other is the head man in the Buckeye Local School System, Mr. Joseph Dials, who has been superintendent for seven years. He is a member of the Buckeye Association of School Administrators, Shrine Club, Methodists Men, Ohio School Boards Association and many, many more organizations. He has been chairman for a 10 County Program for Special Education. Mr. Dials has been a very dedicated administrator throughout his years. We will miss his leadership, especially at North High School. He will be remembered attending North's Band Concerts, the Senior Forum, Homecoming, and many various activities. We hope he will be happy in any further endeavors that he may pursue.

# DO YOU KNOW WHERE YOU'RE GOING TO?

## JUNIORS CLASS OF "80"

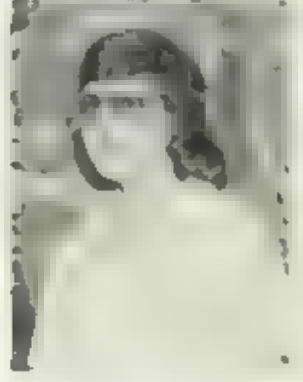

President Larry Graham, Vice President Bob Mayle, Secretary Lori Krulcik, Treasurer Jili McEndree, Historian Jackie Turner

The Junior class of eighty, under the supervision of their class advisor, Mrs. Christine Luckino elected the class officers.

The officers combined with the Junior class officers from Buckeye South and Buckeye West to make preparations for the 1979 Prom. As sophomores the class raised \$2,200.00 by selling Smiling Scott products, enough money to cover the Prom expenses.

# PARENT'S DAY

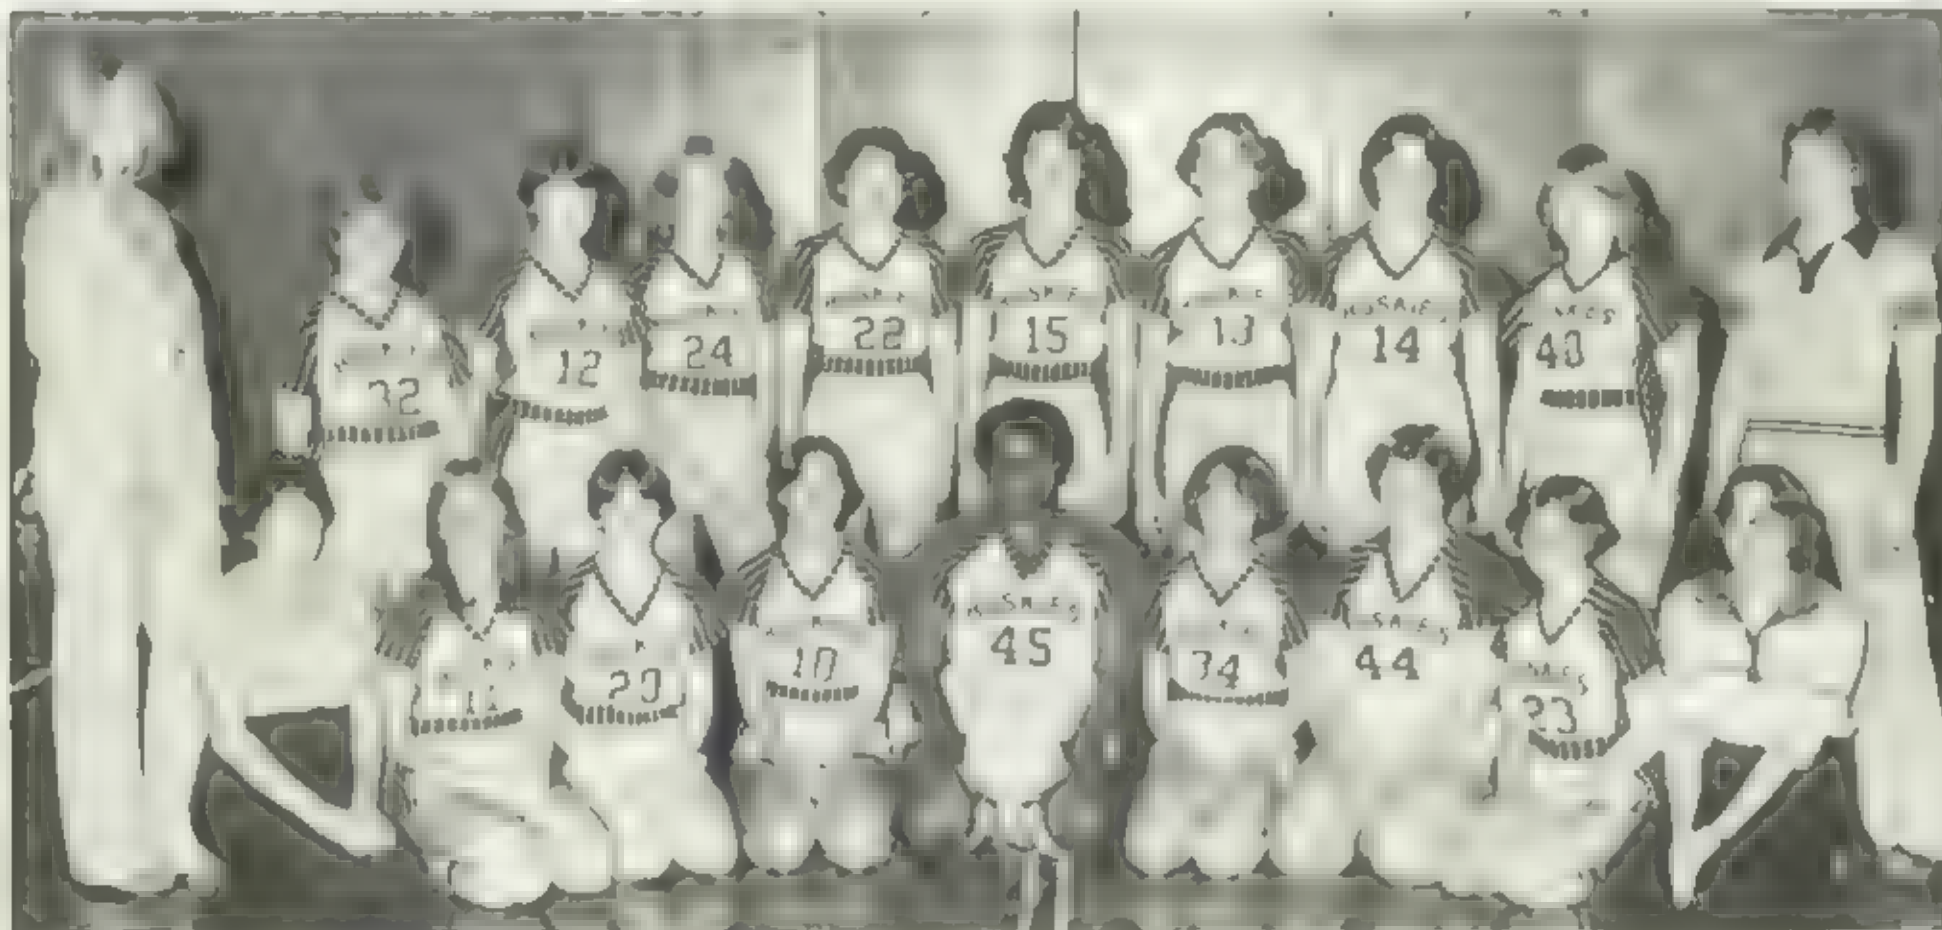

Parent's Day, an annual event for the Huskies, this year on Oct 7, was also a successful one, with the victory over Wellsville

It was a beautiful day for the parents to escort their son or daughter, whether they be a football player, band member, cheerleader, or a Northern Star, down the Huskie gridiron

The 1978 volleyball season was a rebuilding year for the Huskies. The team, though young and inexperienced, had a lot of pride and determination. Coach Leigh Ann George was at the helm once more, and she was assisted by Betty "Moose" Miller and Tammy Kessler, Varsity captains, and Kelly Hoover, Reserve captain.

## VARSITY

With graduation taking 4 starters from last year's team, the Huskies were hit with a lack of experience. Ron Tipton was the lone returning starter. Although beginning with a slow start the Huskies showed much improvement as the season progressed. The team was given a boost late in the season with the advancement of Chuck Rine to varsity. Although their 5-13 record may not show it, much effort was put into this season by Coach Hamilton and his team.

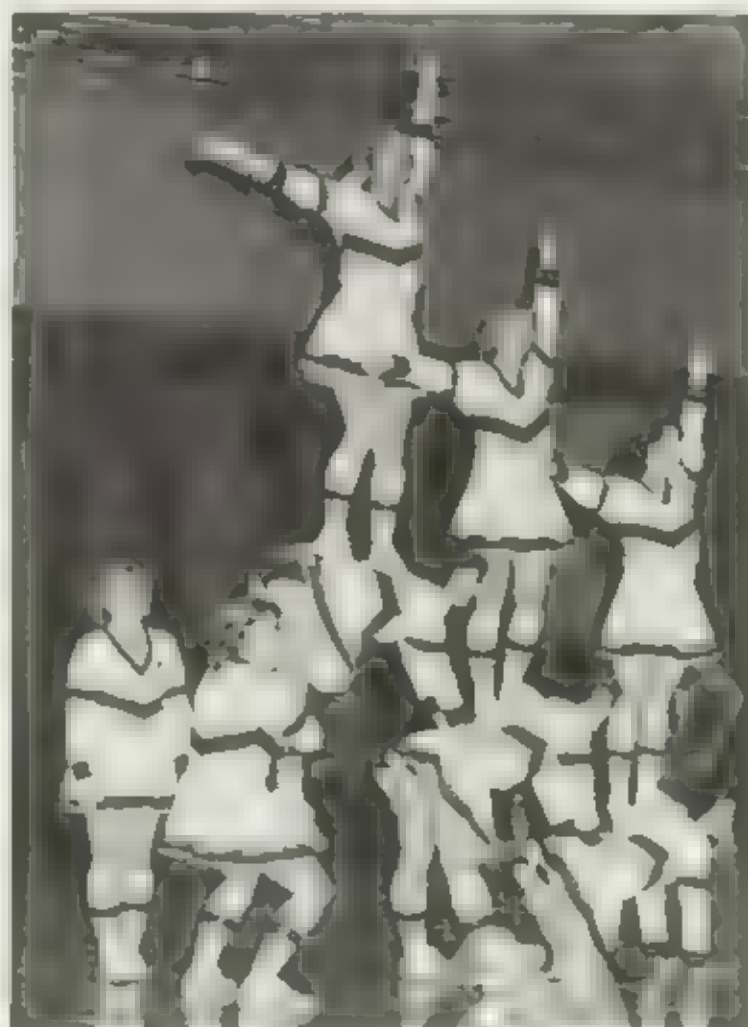

## RESERVE

Although having a young and inexperienced team, the reserve squad proved to be quite successful. Under the leadership of first year coach Ed Krulcik, this team ended the season with a 9-9 record.

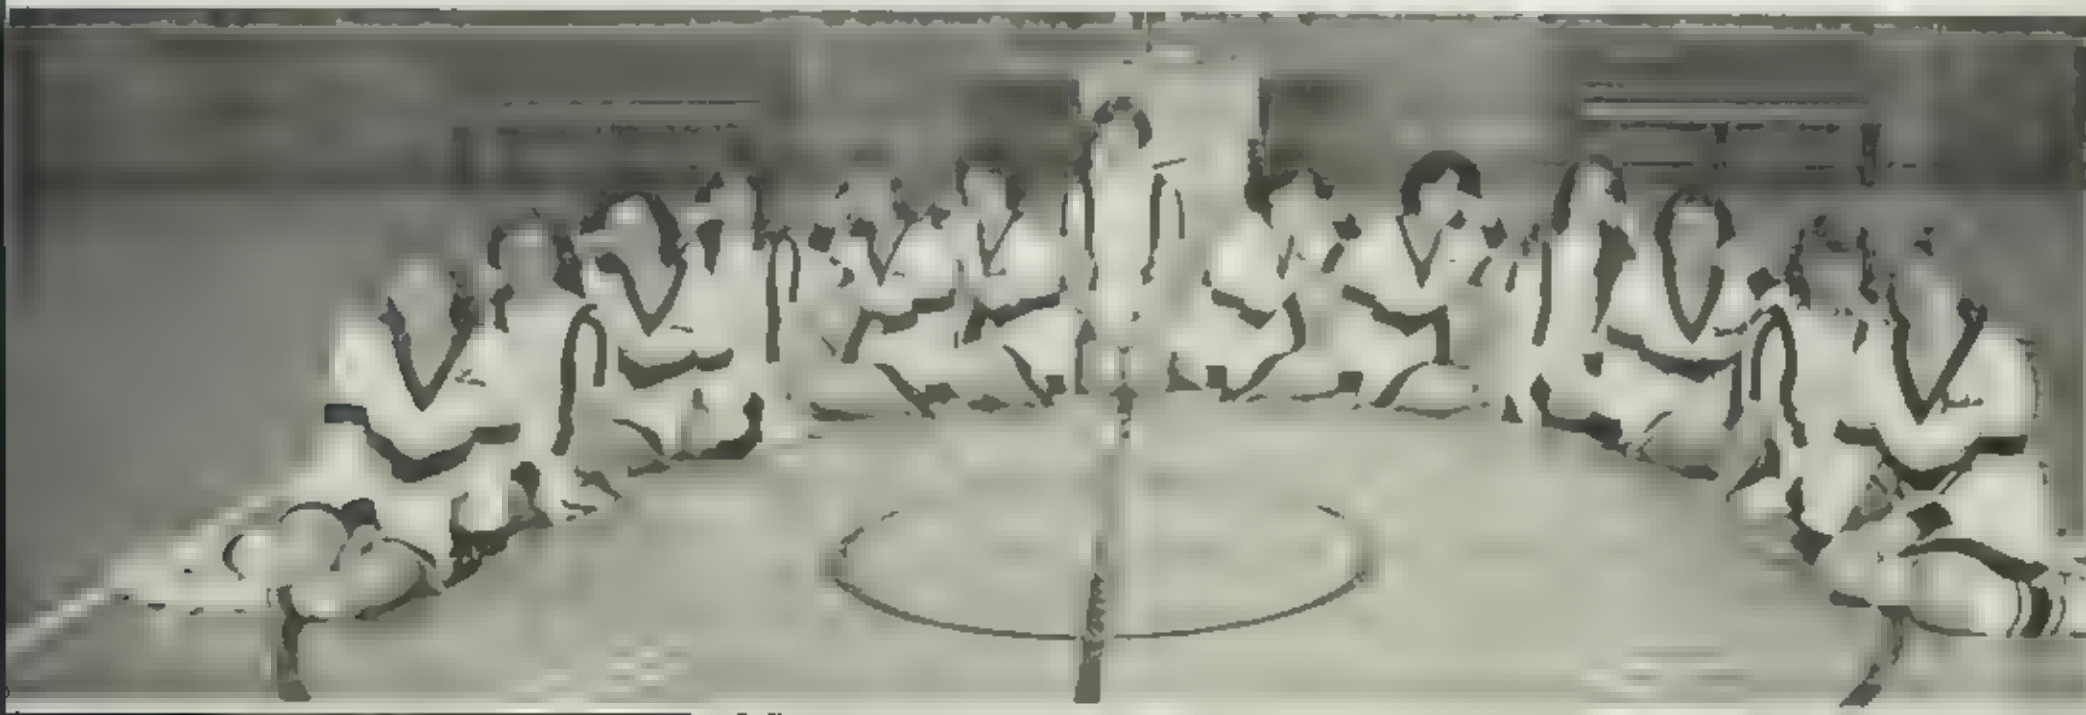

# CHEERLEADERS HAVE ACTIVE YEAR

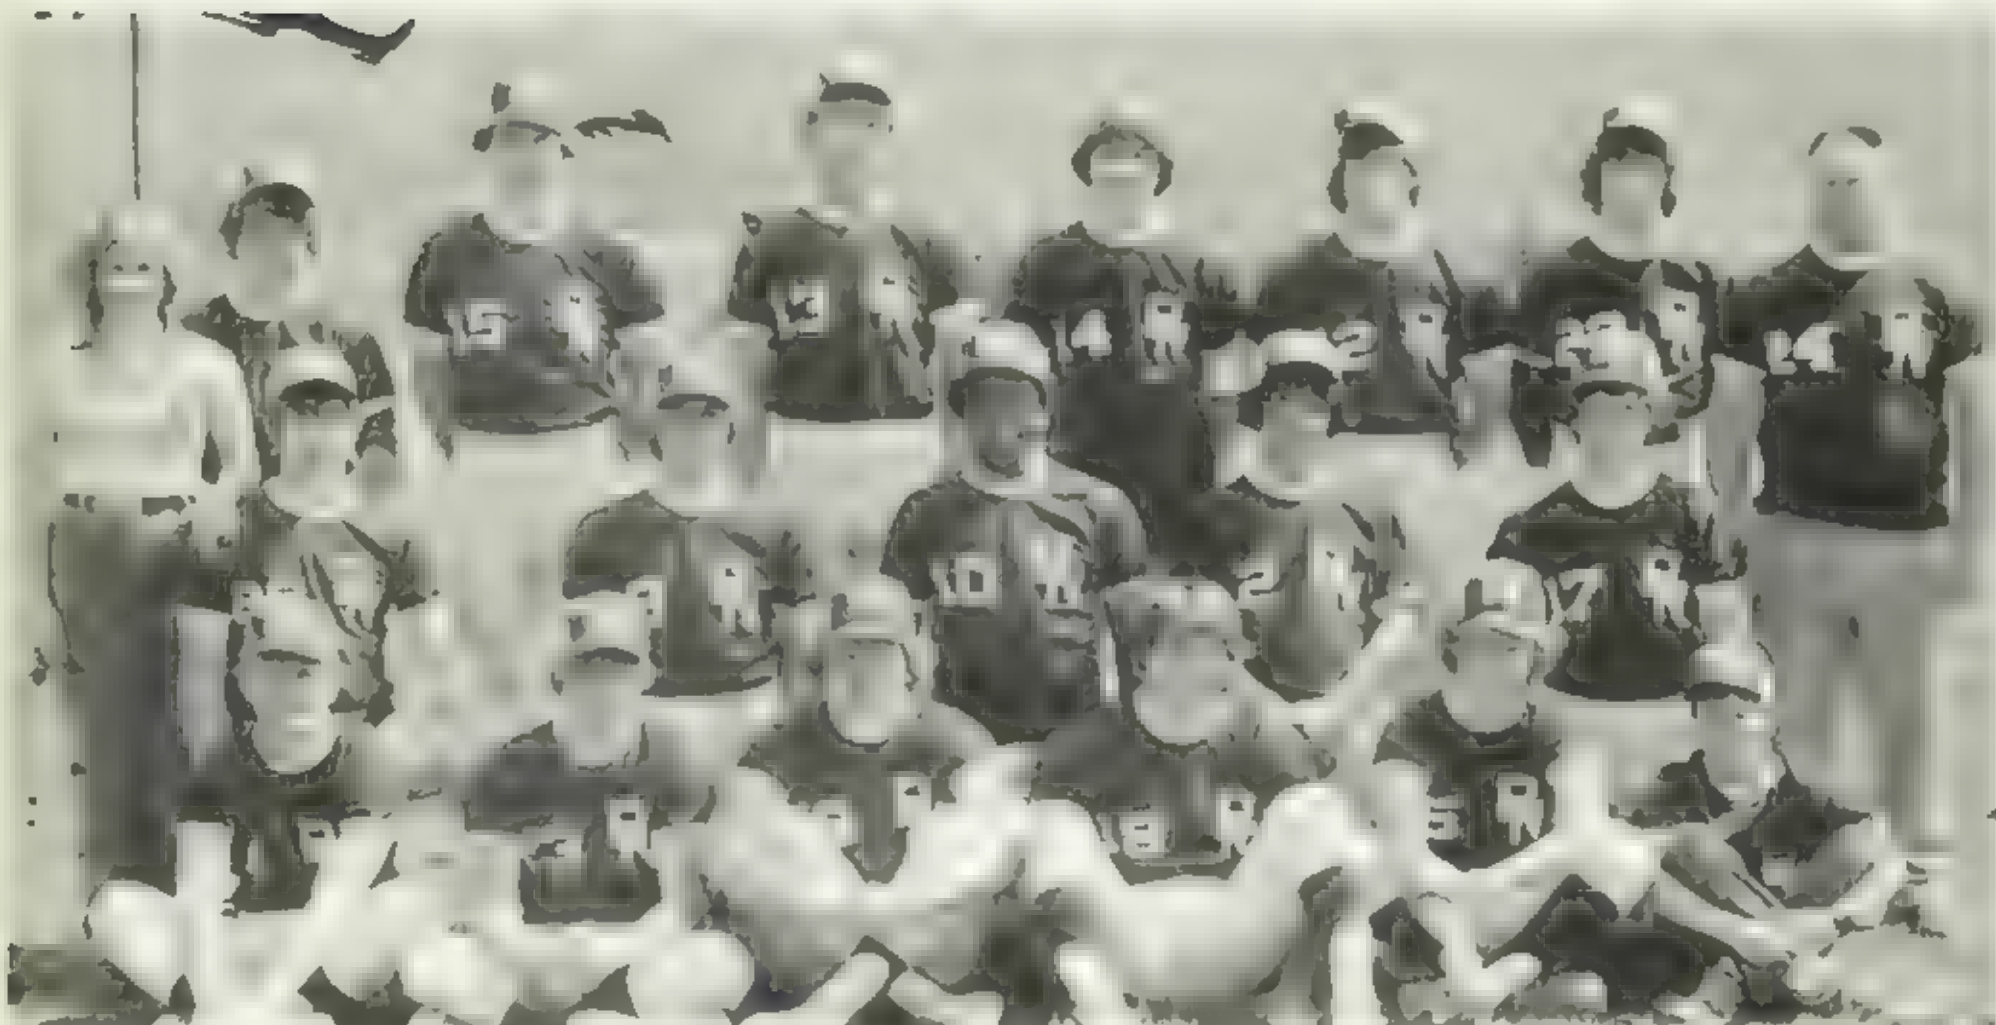

The varsity and reserve squads began their active year by attending cheering camp at Mt. Union College. Both squads performed well by receiving various first and second place ribbons.

Upon returning home, the cheerleaders began their selling campaign. Ribbons, mugs, t-shirts, shakers, candy, and husky dogs were sold. Two tag days and a car wash were also held to raise money. These hard-working girls and their advisor, Robert Guy, should be commended for their time and effort.

The baseball team this year won the OVAC championship title for North. The Huskies beat Shadyside 6-4 to win this title. This is the first OVAC title that North has ever won. North is very proud of her team and the young men who gained this championship for the Huskies!

The Huskies also captured the Sectional and District titles. They trimmed Frontier 2-1 and then went on to beat Buckeye West, rallying from a 5-0 deficit, to win the Sectional Championship 7-5. The Huskies then went on to jolt Indian Valley South (22-2) to capture the District title 7-6. North then advanced to regional tourney action where they were defeated by McDonald 5-4. They finished the season with a 14-7 record. Congratulations on a great season!

Left Don Roe — This senior pitcher, outfielder sported a 5-2 mound record including one no-hitter and two one-hitters. At bat, Don led the entire area with a .551 average on 32 hits including six homers, five triples and pilfered 17 stolen bases.

Don will be attending the University of Kentucky next year on a football scholarship. North's athletic program will miss you, Don.

"Hock" behind the plate

The 1979 softball season wasn't supposed to be a successful one for the Husky girls. Having lost so many players from the previous season, everyone assumed that this year's team wouldn't do as well.

As it was, everyone was in for a big surprise.

After an opening loss to Shadyside, the girls catapulted back to beat Buckeye West and to get revenge on Shadyside in the next two games.

World's greatest fans

The Huskies then lost in a heartbreaker at St. C, but went on to win the next 9 games in a row.

Two of those nine games were tournament play. Yes, for the second year in a row the Husky girls have won their sectional tournament. This year it was earned by beating first Woodfield and then Beallsville.

## THE TEAM IN ACTION

Those goofy sophomores

Here we go

By winning those two games, again for the second year in a row, the girls qualified for District tournament action. Unfortunately, when the district game rolled around, the girls had some hard luck and were defeated by Frontier.

They then went on to play and once more were defeated

However, with a final record of 11 wins and only 4 losses, the girls proved that they were, in fact, true winners

The 1978-79 Homecoming proved to be successful as the Huskies demonstrated their intense desire to win by conquering the undefeated Bulldogs of Bridgeport.

Intramural basketball plays an important role during the winter months. Each day during lunch, two teams would challenge each other for a 20 minute game of basketball. The teams were the: Alley Cats, Super Scrubs, Animals, Jokers, and the 69'ers. The 69'ers won the championship game and the chance to play the faculty during school. The faculty won by two points in over-time!

Ah, Fudge!!

It's been a rough day!

Secretaries???

Another ordinary day?

A little bit here, a little bit there

Senior students were asked in a poll taken by the Aurora Staff to express their opinions on various topics

We don't know if Orkans like pizza, but Mork and Mindy, along with the spicy snack, rated among the tops

Many seniors had difficulty making one choice and there were several ties in each category
